

Longleat Hedge Maze

Made up of more than 16,000 English Yews, Longleat's spectacular Hedge Maze was first laid out in 1975 by the designer Greg Bright.

Average Duration

Gosh where do we start?!... the average duration is 45 minutes. However, some visitors complete the maze in 25 minutes and some never make it to the middle!

Points to Note:

- The nature of this attraction makes it inaccessible to wheelchair users and pushchairs. A Pushchair Park is available at the side of the attraction entrance for the storage of pushchairs for the duration of the Hedge Maze visit only.
